

# Teen/Adult Devotional Thought

Text: Matthew 8

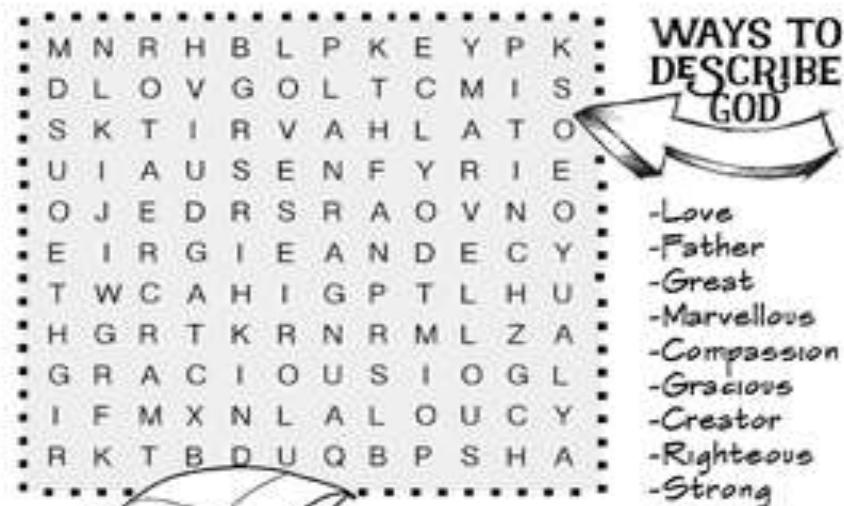

Key Verse: Matthew 8:26- *And he saith unto them, Why are ye fearful, O ye of little faith? Then he arose and rebuked the winds and the sea; and there was a great calm.*

Jesus and his disciples had entered into a ship to sail across the Sea of Galilee, and a fierce storm arose that threatened the ship while the Lord slept calmly. In a panic, the disciples woke up Jesus, thinking they were all going to perish.

Likewise, a great tempest is sure to arise in your life---perhaps even today! Are you ready, or do you timidly walk through life always expecting the next crisis? Don't let your trial find you fearful and faithless like the disciples. Remember that Jesus is still with you even in the storms of life! With him by your side, you can face anything.

Your faith can rebuke the winds of adversity and bring a great calm. Jesus asked the twelve, "*Why are ye fearful, O ye of little faith?*" The answer was found in his question: they had little faith. Don't quit when things are most difficult; if ever there was a need for faith, it is at such a time. Though the gales may blast and the tempest rage, we will not fear because our Lord is near!

# NEWS *from the* Church BUS

Unfortunately, we have had to cancel our bus and van routes until further notice. This is something we do not like doing, however, we deem it necessary given the circumstances. Even though we are not running buses and vans does not mean we cannot keep teaching the Bible! In this booklet you will find several activity sheets and lessons for different age groups. Any rider that has these complete and turned in when we start up again will receive a special prize per lesson complete! If this cancellation lasts longer than expected, then we will try to send out more sheets so that your child can continue learning just as they should! We hope this is a help for every one of you!
